Eco-Thought: "We must consider future generations: a clean environment is a human right like any other. It is therefore part of our responsibility towards others to ensure that the world we pass on is as healthy, if not healthier, than when we found it." (Dalai Lama)

Eco –Tip: Today we send more electronic messages than paper ones. Ask your billers to do the same. Bills can be received electronically, and paid electronically. This will reduce the demand for paper.
